Curtain Poles and Track

Cameron Fuller stands as a UK specialist manufacturing company situated in Devon. Our focus lies in the production, design and distribution of metal and wooden curtain poles and curtain tracks.

Products are created in our locally based workshops, offering a diverse range of standard colours and finishes in all our poles and tracks. along with various finials, brackets and accessories made to match including stock items available for immediate dispatch. In addition we can offer a bespoke colouring service for our wooden poles and have a number of subsidised display options available for our customers.
